

Navajo Head Start

Navajo Head Start (NHS) program is inviting families with children 3-5 years to enroll in the program. NHS provides comprehensive services to children, families, and local communities throughout the Navajo Nation. NHS promotes the school readiness of children by enhancing their cognitive, social, and emotional development including an emphasis on Navajo language and culture. If your child has an Individualized Education Plan (IEP), NHS will ensure there is effective teaching, accommodations, individualize plan, and an environment to promote children's positive outcomes.

NOW ENROLLING *School Year 2024-2025*
