

NAVAJO HEAD START NEWSLETTER

JANUARY
2026

Message from the Assistant Superintendent

Gratitude Message

Thank you for the work that was accomplished in the first two quarters of the school year. I wish you all continued success.

Dayforce Updates

Please know that the transition to Dayforce continues to be a process for all. We are working with Department of Personnel Management (DPM) to establish Manager access for positions that are identified as "Supervisors". Please be patient with our teams as we transition to this new phase in operations.

Closing Remarks

I look forward to our continued work together. Be well.

Dr. Billy

Reminders

SCHOOL READINESS

Summary

In the first quarter NHS classrooms have studied various topics for Dine language and culture. At the beginning of the school year, students got to explore their classrooms and becoming familiar with their classroom routines to boost their cognitive development; and building language and social-emotional skills with their peers of know their names, how to write their names, and being able to identify feelings. In addition to topics, the students studied on cultural topics of food groups, trees, clothing, and landscape to enhance their knowledge and language skills to use Dine bizaad in identifying simple terms from their daily experiences in and out of classroom.

At the All Staff PDD, center staff got introduced to Dine cultural topic of the Navajo story of Spider Woman and Navajo string games. NHS DLCS presented to the staff in Navajo where the staff got to learn about the string games. Following the presentation, the staff were given individual strings to design figure out of the strings and some played games. Through the Navajo string game, staff found enjoyment in the doing Navajo string games where it also included laughter, communication skills to share stories from their upbringing, and using their autonomy in knowing how to design figures with the string. It was a mental wellness exercise for the staff to give their minds a brain break while connecting back with our Dine culture.

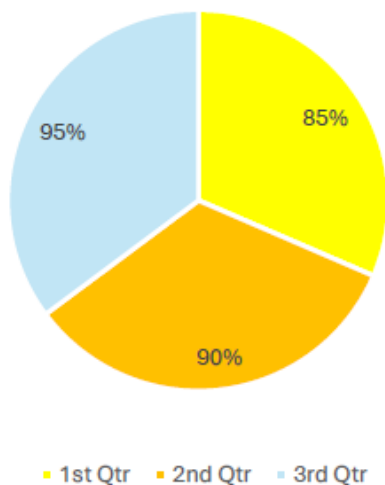

ERSEA AND FAMILY ENGAGEMENT

ERSEA Report

Greetings to the New Year. This month's goals for support at the center level is ensuring all sites who were served an under-enrollment notification for second quarter are targeted on the January Recruitment Calendar. The ERSEA liaisons each had sites within their districts identified as under-enrolled, meaning those centers did not meet the 85% threshold for enrollment. Every quarter has a percentage that needs to be met at each respected district. The following quarter enrollment thresholds percentages are listed as follows:

Enrollment Percentage Threshold
Quarters 2nd, 3rd, & 4th

MENTAL HEALTH AND DISABILITIES

Update from the MHD Team

The MHD Team continues to prioritize individualization, accommodation, modifications, and services for students with IFSPs and IEPs during the second half of the school year. Our liaisons are collaborating with center staff to review IFSP and IEP documents and lesson plans, ensuring effective implementation. Professional development sessions are planned to reinforce these practices.

The renewed focus aims to improve services for students with IFSPs and IEPs, promoting educational equity by guaranteeing that children with disabilities have access to the same opportunities as their peers. Under the *Individuals with Disabilities Education Act (IDEA)*, students should be educated in the least restrictive environment (LRE) whenever possible, fostering inclusion alongside typically developing children.

Currently, NHS is at 6.1% of actual enrollment for children eligible for services under *IDEA*. Our goal is to increase this percentage and strive forward reaching 10% by year's end.

ADMINISTRATIVE SERVICES

A message from the
Director of Administrative
Services

As we move into the second semester of the school year, I would like to extend my sincere gratitude to each of you for your continued dedication and hard work. I hope you were able to enjoy quality time with your families over the break. Thank you all for your continued commitment and collaboration.

—Janell Begay

Happy
New Year

Facilities

On the Facilities side, maintenance staff have been working diligently to remove clutter from housing units while continuing regular center maintenance. Please ensure that heaters are turned on where needed and that faucets are set to drip during freezing temperatures to prevent frozen pipes.

Human Resources

This month, we have been actively working on the transition to **ERP**, our new system for timesheets. We continue to collaborate closely with DPM to resolve minor issues, and we kindly ask for your patience during this transition period.

Fleet

Additionally, we are still collecting **tribal vehicle registration information**. If you have not yet submitted your registration, please do so as soon as possible. This information is necessary for the release of vehicle insurance, as vehicles are currently not insured until registrations are complete.

Health & Nutrition

Please be reminded that **outside food should not be displayed or shared around students during operational hours**, as we must remain compliant with **CACFP reimbursement requirements**. Your understanding and cooperation are greatly appreciated.

LOCAL PARENT COMMITTEE AND NHS PARENT POLICY COUNCIL

Established LPC's

- Newcomb
- Crownpoint 1
- Nageezi
- Thoreau
- Sawmill
- Oljato
- Rock Point
